## Retail Pharmacy

In today's increasingly competitive marketplace, retail pharmacies face declining margins and shrinking reimbursements on top of other business and industry-specific challenges.

At Innovatix, we offer retail pharmacies immediate and sustainable solutions for the escalating cost of providing healthcare. As the **nation's leading non-acute care group purchasing organization (GPO)**, we are committed to conducting our business with the highest integrity and transparency. Our services are designed to provide the tools and services necessary to maximize savings while enhancing the quality of care.

As supply costs continue to rise, Innovatix can play a critical role in the success of your organization. We offer an extensive portfolio of savings negotiated by leveraging a total purchasing volume of \$41 billion through our affiliation with Premier.

**Even your employees can save.** As an Innovatix member, your staff is eligible to receive discounts on products from a variety of Premier contracted suppliers—everything from car rental services to office supplies.

**Membership is free,** so join today to start realizing savings and operating efficiencies. Let us focus on your costs so that you can focus on providing quality care.

## Our Affiliates

Innovatix is 50% owned by GNYHA Ventures, the for-profit subsidiary of the Greater New York Hospital Association, and 50% owned by Premier, one of the nation's largest acute care GPOs.
