

BUSINESS + INDUSTRY

Corporate Savings Powered by Innovatix.

Innovatix is a national group purchasing organization (GPO) that has evolved to provide strategic procurement solutions and operational support to help retailers, manufacturers, legal practices, private equity firms, and other businesses thrive. We achieve this goal by both securing discounted pricing and identifying the best value for the products and services you need to run your business. Our purchasing and procurement solutions help grow your savings over time.

For more than 20 years, Innovatix has provided superior group purchasing services to the healthcare field. With demonstrated success in achieving substantial savings for over 36,000 clients, we are delighted to expand our services to non-healthcare-related business and industry market leaders. Our healthcare roots mean that we value business transparency as part of our commitment to ethical practices. Innovatix is a client-driven GPO with a self-imposed Code of Conduct that reinforces our commitment to offering our clients value.

There are no fees or purchasing minimums required to be an Innovatix Business and Industry member—our clients remain in control of what they buy, how much they buy, and when they buy it.

What is group purchasing? How does it work?

Innovatix is modeled on the same concept as a big box discount club, but without a membership fee or warehouse facility. We leverage the aggregated purchasing volume of our clients (akin to buying in bulk) to negotiate more favorable pricing on the products and services they likely use every day. If you decide to purchase through our contract, we receive an administrative fee from the vendors based on our clients' purchasing volume. We disclose the administrative fees we earn based on each client's purchases through an annual Safe Harbor report. We only earn revenue if we deliver savings.

Business and Industry Portfolio

We've strategically curated our Business and Industry contract portfolio for legal, financial, and professional services firms; independent businesses; and franchise owners. We feature volume-based discounts for many of the products and services your business uses the most.
