

Recorded Webcasts from National Meeting

Accredited CE Sessions for 2020 – for Home Study

These CE programs have been produced by Innovatix Institute, an educational program offered by Innovatix, LLC.

Target Audience

Pharmacists and Pharmacy Technicians involved with cost-effective management or evaluation and treatment of long-term care, infusion, or oncology patients.

Learning Objectives

1. Define the status of the four USP compounding-related chapters: USP <795>, <797>, <800>, and <825> and where they apply.
2. Describe the clinical rationale behind pausing, stopping, tapering, or streamlining targeted medications during COVID-19.
3. Outline how facilities can use surveillance data for the prevention, early detection and mitigation of a potential COVID-19 outbreak.
4. Outline monitoring plans for chronic pain management.
5. Explain 2017 ACC/AHA hypertension guideline recommendations for management of hypertension.
6. Identify risks to non-acute providers associated with medical marijuana.
7. Describe the development and efficacy of drug therapies and vaccines for preventing and treating COVID-19 infection.

Pharmacy Accreditation (ACPE)

To receive Pharmacist and Technician CE credit, Pharmacists and Technicians must go to <http://www.innovatix.com/evaluations/>. Click on National Meeting 2020 Recorded Webcasts, and select the webcast attended (a total of 7 webcasts are available, each offering 1 contact hour for pharmacists and technicians for a maximum of 7 home-study contact hours). Complete the evaluation form. Statements of Credit will be available from CPE Monitor within eight weeks, upon successful completion and submission of the verification of Continuing Education and Program Evaluation online forms.

These lessons were released on 11/9/2020 and will not be valid for CE credit after 10/12/2021.

ACPE Statements of Credit will be transferred to CPE Monitor within 4-6 weeks, upon completion and submission of the verification of Continuing Education and Program Evaluation Forms, and will be available at www.nabp.net.
